BIENNIAL REPORT
OF THE
SECRETARY OF STATE
OF MONTANA.

Department of State,

Helena, Montana, December 1, 1910.

To His Excellency, Edwin L. Norris, Governor.

My Dear Sir—As required by the Constitution and the Laws of this State, I have the honor to submit herewith my third biennial report of this Department covering the period from December 1st, 1908, to November 30th, 1910, inclusive.

This report contains complete enumeration for the biennial period of Domestic and Foreign Corporations filing Charters, Articles of Incorporation, Increase and Decrease of Capital Stock, Name and Address of Resident Agents of Foreign Corporations filed during the past two years; also a list of Notaries Public commissioned during the same period and a list of Commissioners Deeds accredited to Montana.

Statement of Fees in Detail.

Corporations, Domestic	\$ 76,819.85
Corporations, Foreign	43,759.30
Notarial Commissions	7,868.00
Certified Copies	1,910.20
Railroad Ticket Agents' Licenses	204.00

Total	<hr style="width:20%; margin-left:auto; margin-right:0;"/> \$131,879.35

The receipts of the Department show an increase over the last biennial period of about \$10,000, being an increase in number of instruments filed.

The fees from all sources for the past six years are as follows:

Fees received for the fiscal year 1905.....	\$31,461.35
Fees received for the fiscal year 1906.....	58,787.70

**Appropriations for Office of Secretary of State for Two Years
Ending February 28, 1911.**

Appropriations for the year ending February 28, 1910	\$2,400.00
Appropriations for the year ending February 28, 1911	1,800.00

Total amount of expenses for 1909 and 1910:

Stamps	\$223.00
Stamped Envelopes	198.06
Telephone Company	102.65
Office Supplies	241.76
Express	13.44
Directories	10.00
Extra Clerk Hire	292.00
Telegraphing	3.45
Postal Cards	6.50
Traveling Expenses	579.40
Drayage	5.90
Post Office Box Rent	12.00
Repairing Typewriting Machines	23.96
Railroad Mileage Book	75.00
Balance	2,412.88

\$4200.00 \$4200.00

The Legislature appropriated \$3,000 for vault fixtures and additional vault room for this office but as provision was made to enlarge the Capitol Building, it was not considered wise to expend money on additional vault space at this time; the vault fixtures, however, were installed at a cost of \$1,324.90, the balance, \$1,675.10, lapsing back to the treasury.

The Secretary of State is Ex-Officio Sealer of Weights and Measures, but so far the State has not showed enough interest in this important matter to provide this department with a set of standards of weights and measures to carry the law into effect. Neither are our laws adequate to conditions in our Commonwealth.

It is a deplorable fact that nearly all goods sold in original packages are from one to two and one-half ounces short weight. The seller may not always say that the package contains a pound or half pound as the case may be, but it is invariably true that where a customer asks for a pound of butter or any goods put up in original packages he receives one of these packages. This is the practice in all states where there is no law prohibiting it. So to protect both the merchant and consumer, I would urge that such laws be enacted that will assure correct weights and measures and compel the net weight to be plainly marked on all original packages sold in this state.

The estimate of the Appropriations for this Department for the years ending March 1st, 1912 and 1913, are:

Salary of Secretary of State, \$3,00 per annum.....	\$6,000.00
Salary of Deputy, \$1,800 per annum.....	3,600.00
Salary of Clerk and Stenographer, \$1,500 per annum..	3,000.00
Extra Clerk Hire, 1911	700.00
Extra Clerk Hire, 1912	300.00
Stamps, Stamped Envelopes, Telegraphing, Tele- phones and other office expenses, about \$1,500 per annum	3,000.00
	<hr/>
	\$16,600.00

I submit herewith estimates for the Capitol Maintenance for 1911 (the salaries are fixed by law) :

Head Janitor, \$100 per month	\$1,200.00
Five Janitors, \$90 per month	5,400.00
One Yard Man, \$90 per month	1,080.00
Extra Yard Man for 4 months, \$90 per month	360.00
Night Watchman, \$90 per month	1,080.00
One Head Engineer, \$125 per month.....	1,500.00
One Night Engineer, \$3.50 per shift for seven months	735.00
